

Spektrix Community Engagement Guidelines

Spektrix Community: Building Connections Together

Welcome to the Spektrix Community. We're excited to connect with you at our upcoming events, whether it's a virtual webinar or an in-person event. This quick guide helps ensure an inclusive, friendly and productive experience for everyone - Spektrix clients, staff, partners and prospects.

What You Can Expect From Us:

A warm welcome: We're committed to creating a space where everyone feels comfortable participating and sharing their ideas.

Respectful environment: We foster inclusivity and expect all participants to treat each other with courtesy and professionalism.

Engaging sessions: We design our events to be informative, interactive, and spark valuable discussions within the Spektrix community.

What We Expect From You:

Be kind and inclusive: Let's create a positive space for everyone to learn and share. Use respectful language and avoid discrimination or harassment of any kind.

Active participation: We encourage you to ask questions, share your experiences, and engage with other attendees and presenters. Be brave and turn off those distracting notifications.

Responsible digital citizenship (Virtual events): If you're joining us online, ensure a distraction free background during video calls and use chat functions thoughtfully to avoid disruptions.

Dress for comfort (In-Person events): Spektrix has a casual and welcoming atmosphere. Wear what makes you feel comfortable and ready to engage.

Responsible enjoyment (In-Person events): If alcohol is available, please consume responsibly and prioritise your safety and well-being.

By following these simple guidelines, we can create a thriving Spektrix Community where everyone feels valued and empowered. If you have any questions or witness any behaviour that goes against this spirit, please don't hesitate to reach out to a Spektrix staff member at the event or email us at events@spektrix.com.

Thank you for being part of our community.
