Deadline extended to Friday October 31st

Calling all CAPACOA members! Applications are now open for the **5th and FINAL edition** of the Digital Discoverability Program.

Between Summer 2025 and Winter 2026, 20 performing arts organizations will have the opportunity to work one-on-one with the Artsdata team. Together, we will find solutions to boost your digital discoverability, by focusing on your:

- **Event pages** (i.e. stand-alone webpages that describe **only one upcoming live performance or one series of performances of the same show**)

About Artsdata Knowledge Graph

Artsdata is a knowledge graph designed by and for a community of users from the Canadian arts sector. We follow a decentralized approach, delegating autonomy and responsibility to stakeholders, and fostering a dynamic ecosystem of tools and open data that is continually evolving.

Product/Services Offered

- Data Cleansing
- Digital Transformation Consultant
- Event Listings
- Website CMS Tools & Plugins

Artsdata is an innovative platform designed to significantly boost the visibility and impact of the Canadian arts sector by making arts information more open, connected, and reusable. Thanks to this integration, your Spektrix event data is now transformed into linked open data and made available for browsing by search engines and for reuse by event listings.

It directly benefits arts organizations and creators by ensuring their events

Using Spektrix across the business:

A unified approach

SPOTLIGHT: Take This Waltz

Celebrating the Music of Leonard Cohen

Wed Oct 29, 2025 7:30pm

CANADIAN OPERA & DANCE

Take this Waltz: Celebrating the Music of Leonard Cohen is an operatic and contemporary dance performance, inspired by the music of the Canadian legend Leonard Cohen.

Daniel Okulitch - one of Canada's most celebrated operatic voices - is joined onstage by a classical chamber ensemble composed of Violin/Viola, Cello, and Accordion; along with, dancer/musician Ted Littlemore, an artist of many talents who plays the accordion while dancing.

"Take this Waltz" aims to broaden the idea of how vocalism, contemporary dance, instrumentation, and the visual arts can be applied to well-established works, without diluting their unique qualities.

World premiere on September 10th, 2022 and sold out run as a co-presentation between Vancouver Opera, Pacific Opera Victoria and Chutzpah! Festival.

Director & Choreographer: Idan Cohen
Soloist: Daniel Okulitch
Dancer/musician: Ted Littlemore
Scenic Design: Amir Ofek
Lighting Design: Itai Erdal
Music arrangements: Adrian Dolan
Production: Jason Dubois/New Works
